CAREER OBJECTIVE

Enthusiastic individual eager to start a promising career. Looking for an intern jobs where I can contribute positively to a team and gain valuable experience, whether it's in development or any other field.

EDUCATION BACKGROUND

Master of Computer Applications   July 2025
St. Xavier's College of Engineering, Kanyakumari, Tamil Nadu.

Bachelor of Computer Applications   May 2023
St. Jerome's College, Kanyakumari, Tamil Nadu.

PROJECT

Mobile Back-Case Website

Designed and implemented using Adobe XD.

- Designed and implemented interactive wireframes and high-fidelity mockups for Mobile Back-Case Website.
- Utilized components, auto-animate, and responsive layouts to create intuitive user experiences aligned with modern design principles.

Tourism Booking Website

Designed on Figma and implemented using VsCode and Intellij.

- Designed the user interface in Figma. Focusing on intuitive navigation and engaging for visual layouts and booking overflows which comes with the tour package.
- Implemented the front-end using Visual Studio Code integrating Html, CSS, and JavaScript for dynamic interactions.
- Developed back-end logic using Intellij IDEA with Java and MySQL, enabling user management and data storage.
